

Dear Parents and Athletes,

We are introducing a new running club for fifth and sixth graders! We will be bringing the sport of Cross Country to fifth and sixth grades during the fall 2018 season. We will meet once a week after school from 3:00 – 3:45. The schedule is below. On the last week of running we will have a 1 mile timed race at the middle school at 3:30. Wilson has a recent tradition of having a great high school Cross Country team year after year. In the 13 years I have been head coach our girls and boys teams have combined for a record of 479 wins and 168 losses. That is a .740 winning percentage! Please consider being part of the early introduction running program. Due to this activity being after school, each child will need to have a parent/guardian pick them up promptly at 3:45. If you have any questions please contact me at mbrowne@wilsonareasd.org.

Week 1: Tuesday, September 4th
