* Turn over →
Fitness Club is returning to WAIS...

St. Luke’s University Health Network will be returning with our
BEFORE - SCHOOL FITNESS PROGRAM for our STUDENTS!

Beginning Tuesday, March 17th through Thursday, May 7th, fitness programs will be held EVERY Tuesday and Thursday from 7:00 am - 7:40 am in the WAIS Gym. Sign-up forms will be available on the WAIS Website, the PTA Facebook Page and in the WAIS Office.

Regular exercise has tremendous health benefits for children and young adolescents. Some of the benefits include: boosting energy levels, relieves tension, helps manage stress, increases enthusiasm and optimism, improves the ability to focus, improves self-image and academic performance.

We highly recommend the St. Luke’s Fitness Program for students of all abilities in grades 5 - 8.

PSSA Math Update

Doug earns $10.50 per hour working at a restaurant. On Friday he spent 1 ¾ hours cleaning, 2 ½ hours doing paperwork, and 1 5/12 hours serving customers. What were Doug’s earnings?

A. $46.97  
B. $47.25  
C. $53.00  
D. $57.75

This question assesses the student’s ability to solve a multi-step real-life problem posed with positive rational numbers by applying properties of operations to calculate with numbers in any form and convert between forms as appropriate.
