**Fundraising**

Each student is required to participate in fundraising and/or send in a buyout. The students will earn the percent that the PTA earns for fundraisers. Buyouts cover only the trips. The PTA also provides assemblies, end of the year activities and other things that make your child's school year the best that it can be. Anything over the buyout amount raised will go to the general fund in order so we can continue to provide these things for your children. Please consider participating in fundraising even after your buyout amount has been reached. Our 1st fundraiser will begin on September 9th. We will be selling SaveAround Coupon Books. The cost is $25 per book and your student earns $10 per book sold towards their buyout! This is a great fundraiser! More information regarding the remaining fundraisers will be sent home in September.
Membership

Why join the WAIS PTA? The number one reason to join the Parent Teacher Association is to benefit your child. Your membership means participation in and support for our programs and activities. By joining, you also get an opportunity to be better informed, network with other parents, and be a role model for your children.

Who can join the PTA? Membership in PTA is for EVERYONE. Anyone with an interest in helping the students at WAIS can become a member.

- Moms, Dads, Grandparents, Aunts, Uncles, other relatives, Friends of the family,
  Community businesses, Teachers and Staff

What are our goals for membership? Because we believe in the mission and goals of the PTA, we would like to see participation from every household and teacher in our school. Because the success of our efforts is directly related to the levels of participation that we can achieve, we encourage both parents to join, as well as any other interested parties.

What is the membership fee? Only $6.50. More information will be sent home in September.
