Fundraising

Each student is required to participate in fundraising and/or send in a buyout. The students will earn the percent that the PTA earns for fundraisers. Buyouts cover only the trips. The PTA also provides assemblies, end of the year activities and other things that make your child's school year the best that it can be. Anything over the buyout amount raised will go to the general fund in order so we can continue to provide these things for your children. Please consider participating in fundraising even after your buyout amount has been reached.

Volunteers

Volunteers are needed throughout the year. You MUST have your background check on file with each school you volunteer with to help out during school hours. For more information on how to obtain your clearances please visit the WASD website:
